I. Resolved by the Non-Official members that Messrs. Lakshmana Rao and Javali Subba Sastri be elected as members to represent the Board at the ensuing Dasara Representative Assembly.

II. The undermentioned papers were read and recorded :—

(1) Proceedings of the last meeting, dated 21st May 1894.
(2) Government Proceedings No. 22958-66—L. F. 104-92, dated 28th June 1894, approving of the suggestions of Colonel Macintire as regards the supply of Amrut Mahal bulls to Local Fund Boards for breeding purposes.
(3) Government Proceedings No. 21682-6—L. F. 227-93, dated 13th June 1894, sanctioning the District Fund Budget Estimates of the Kolar Circle for 1894-95.
(4) Government Proceedings No. 1468-70—L. F. 110-92, dated 25th July 1894, sanctioning the re-appropriation statement of the District Fund of the Kolar Circle.
(5) Statement of receipts and expenditure up to the end of May 1894.

III. Read the list of incomplete works requiring appropriations to the extent of Rs. 24,784 during the current official year.

Resolved that the above list be approved and submitted to Government for sanction subject to the condition that the works therein named are to have preference over those shown in the current year's budget.

IV. Read the marginally noted dockets from the Executive Engineer, Kolar Division, regarding the District Fund quota of contributions for the repair, &c., of certain Dispensary buildings.

No. 260, dated 23rd July 1894.
No. 270, dated 31st do
No. 272, dated 2nd Aug. 1894.

Resolved that the Government be requested to sanction the District Fund share of the cost of the repair, &c., of each of the following Dispensaries being met from the general savings of the current year's budget :—

(a) Half the estimated cost of the repair of the Dispensary at the Gold Fields .. 427 0 0
(b) One-third cost of the repair of the Gudibanda Dispensary 11 0 0
(c) One-third cost of constructing in-patients' wards to the Mulbagal Dispensary.. 588 10 8

V. Read the Executive Engineer's dockets, Nos. 78 and 243, dated 24th March and 11th July 1894 respectively, submitting estimates for special repairs to Budikota Railway feeder and for lateriting a portion of the Mulbagal-Goribidnur road.

Resolved that the above projects be deferred for the present.

VI. Read the Executive Engineer's docket No. 259, dated 6th July 1894, forwarding a special repair estimate for the Chikballapur-Nandi road.

Resolved that Government be requested to sanction Rs. 1,000 for the repair of the road in question.

VII. Read Government Proceedings No. 820-22—L. F. 104-92, dated 17th July 1894, requesting to point out the source in the current year's District Fund Budget from which the cost of Amrut Mahal bulls to be supplied to this District is to be met.

Resolved that the sum of Rs. 600 being the value of the bulls required for the District be met from the general savings of the current year's Budget.

VIII. Read Senior Surgeon's docket No. 68, dated 28th July 1894, requesting to make provision in the current year's budget for the cost of medicines and appliances required for the use of midwifes' attached to this District.

Resolved that Rs. 135 being the cost of the medicines and appliances referred to be met out of the general savings of the current year's Budget.

IX. Read Chikballapur Sub-Division Officer's docket No. 75, dated 7th August 1894, proposing to convert the old Taluk Cutcherry building at Bagepalli into a Musafarkhana.

Resolved that with the sanction of Government, the building be taken over by the District Fund Board and maintained at its cost as a Musafarkhana for the use of travellers.

X. Read Assistant Conservator's docket, dated 22nd July 1894, proposing that a fee may be levied from travellers who occupy the lodge near Tondebhavi Railway Station recently purchased by the District Fund Board from the Railway Department.

Resolved that the lodge be converted into a third class Travellers' Bungalow, and fees levied from occupants according to the existing rules applicable to such Bungalows.

XI. Read correspondence ending with this Office docket No. 699—457, dated 17th April 1894, to the address of the Sub-Division Officer, Chikballapur, regarding a proposal to sink at the cost of the District Funds a drawing well in the compound of the Sub-Division Office and the Munsiff's Court at Chikballapur.

Resolved that the proposal be approved, and an estimate for the same submitted to Government for sanction, as the well will be useful to the public in general.

XII. Read Government Proceedings No. 5431-3—L. F. 110-92, dated 23rd September 1893, sanctioning an excess grant of Rs. 1,235 for 1893-94 on account of the works noted in the margin.

	Rs.
(1) Narsapur well	245
(2) Goribidnur Musafarkhana ..	200
(3) Rangadhamana temple road ...	350
(4) Tunnels on Yellampalli-Chelur road	440
Total.....	1,235

The Executive Engineer explains that the above sum of Rs. 1,235 is the amount of excesses over estimates, and that officer as well as the Examiner, Public Works Accounts, think that the sanction of an additional grant is not technically tantamount to a sanction of the expenditure incurred in excess of estimates.

Resolved therefore that the Government be requested to accord express sanction to the excesses referred to by the Executive Engineer being met from the general savings of last year's budget except that incurred on the construction of tunnels on the Yellampalli-Chelur road which is proposed to be met from the savings of the current year's budget.

XIII. The Executive Engineer requests Board's sanction to the excess of Rs. 370 over the estimate of Rs. 1,832, sanctioned by the Chief Engineer in his No. 3499—475 of the 24th August 1889, for constructing a tunnel of 7 vents on Chintamani-Bagepalli road on the ground that certain items were omitted in the original estimate.

Resolved that the excess of Rs. 370 spent on the above mentioned work be met from the general savings of the budget for 1893-94.

XIV. The Executive Engineer submits for the sanction of the Board, a revised estimate for bridging Periasandra-Goribidnur road, showing an increase of Rs. 4,273 over the original estimate which was for Rs. 22,946, and he explains that the excess was found inevitable owing to the excavation of the foundations having proved more difficult than anticipated.

Resolved that the revised estimate be approved and submitted to Government in due course for sanction.

XIV. (*a*) The original budget grant for the above work was Rs. 8,000 and the same was raised to Rs. 12,000 in Government Proceedings No. 1468-70—L. F. 110-92, dated 25th July 1894.

The Executive Engineer explains that a further expenditure of Rs. 4,063 being found urgently necessary, the same was incurred in anticipation of the Board's approval, as there was no time to obtain sanction to a supplemental re-appropriation statement.

Resolved that the Executive Engineer be requested to send up a re-appropriation statement for submission to Government for sanction pointing out the source from which the excess amount can be met.

XV. The Executive Engineer brings to notice that intimation of Government Order No. 942-4—L. F. 74-93, dated 8th July 1894, sanctioning the execution of the road approaches to Goribidnur and Doddakurugodu Railway Stations at a cost of Rs. 1,204 was received after the close of the official year, and requests that a fresh provision to meet the cost of the works may be made available during the current official year.

Resolved that Government be requested to sanction the cost of these works amounting to Rs. 1,204 being met from the general savings of the current year's budget.

XVI. The following proposal and estimates were submitted by the Executive Engineer for the consideration of the Board :—

(1) The construction of a Musafarkhana at Gudibanda.
(2) An estimate amounting to Rs. 3,927 for metalling Malur-Hoskote Railway feeder.
(3) A special repair estimate amounting to Rs. 12,618 for metalling the Mulbagal Railway feeder.

Resolved that the above proposal and estimates be held in abeyance for the present.

XVII. The Executive Engineer brings to notice that the sum of Rs. 2,000 sanctioned in the current year's District Fund Budget under the head "A. Public Works (to be executed by Public Works Department) V. Reserve," is insufficient to meet the cost of incomplete major and minor works of last year amounting to Rs. 3,700, and proposes an increase under this head.

Resolved that the Government be requested to sanction Rs. 1,700 from the general savings of the current year's budget to make up the total cost of the incomplete works of 1893-94.

XVIII. The Board resolve upon making the following Talukwar distribution of the marginally noted lump sum allotments contained in the sanctioned budget for 1894-95.

(*c*) Temporary conservancy charges ... Rs. 1,500
(*d*) Cost of removing prickly pear ... „ 2,700
